Dear Parent/Guardian(s),

This year our class will be participating in many fun filled activities, projects and school related events. I am writing to advise you that your child and our class in general may be photographed throughout the school year at any of these school related activities and events.

At this time, I would like to ask for your consent to photograph your child at any time during the school year. Your child's picture(s) may be used for the school's yearbook, classroom or school's website, and/or even bulletin boards. In addition to photographing your child, the classroom and the student's work will be photographed and posted on the class website. On our classroom website, I will not post any child's full name, only his/her first name and last initial. Names will NEVER be associated with any photos containing a picture of the child.

Please fill out the bottom portion of this form and return it to school as soon as possible. If you should have any concerns or questions regarding this form, please don't hesitate contacting me. Thank you.

Sincerely,

Mrs. Karen Bukovan

Please cut and return the bottom portion to school by Friday, August 27th
